

MODEL **GPX.WCI** COFFEE GRINDER

THE WORLD'S ONLY INDUSTRIAL WATER-COOLED DISC COFFEE GRINDER

The Model GPX.WCI is the ultimate disc-style coffee grinder. Not only does this model deliver superior grind quality for optimal brew performance, but it also keeps coffee 75% cooler than traditional disc-style grinders. Therefore, coffee volatile and aroma are preserved and the true quality of one's coffee can be fully experienced.

- **Low temperature preserves coffee volatile**
- **Infinite grind adjustment**
- **Easy to clean and operate**
- **"Diamond hard" grinding discs**
