# CHAIN-VEY

## 4" CABLE TO CHAIN-VEY® RETROFIT

## THE CHAIN-VEY® RETROFIT IS EASY AS

### 1 — 2 — 3

1. All necessary components for retrofit are supplied by MPE. Existing inlets, discharges, pipe and support can stay in place. Installation takes less than one day.
2. Chain-Vey system guarantees that the chain link will never break. Lower maintenance interval and spare parts cost per year.
3. Totally enclosed system that is designed for easy integration within facility.
