

Product Testing Questionnaire

Please complete the following form and email to solution@mpechicago.com
Kindly mail your samples along with the Material Safety Data Sheets (MSDS) to:

ATTN: Testing Lab / *Name of Your Dedicated Sales Engineer*
3125 S Kolin Avenue
Chicago, Illinois 60623 U.S.A.
(DHL direct is preferred for international samples)

MPE advises of the normal testing turnaround to be 2-3 weeks upon receipt of customer product.
If your project follows a strict timeline, please contact your dedicated Sales Engineer to discuss adjustments to the testing schedule.
